## **HAL COMPLETES ACQUISITION OF LIVIT B.V.**

Today, HAL completed the acquisition of Livit B.V from ABN AMRO Participaties and H2 Equity Partners. This transaction was already announced on November 22, 2007. The company is active in the Dutch market of assembling and selling orthopaedic devices. Livit has 40 specialised care centres and over 200 fitting locations in hospitals and rehabilitation centres. The annual sales are approximately € 44 million.
